I anthy I tried to submitte Bz Computer Aug 27, 2014

*From Anthony E. Gault*

to put in another application, the reasons unknown, i submitted another application and was given food stamps and denied the cash part of the public assistance in which welfare and social security administration had me in the same under ware and clothes for approximately 4 to 5 months in being homeless the 100 dollars 2Xs a month that i was suppose to get which is not enough, that they denied me which cause me further hardship, i applied for a fair hearing in august 20, 2013, and the administrative law judge ruled in my favor order social service to give the approximately 800 dollars cash to me, january 2014 i submitted a request for welfare to comply with the administrative law judge order, february 2014 i recieved a letter from the compliance coordinator that they still refuse to comply in giving me the 800 dollars, the number for the cash fair hearing is FH# 6465719y, the name of the compliance coordinator is mrs ruth potter who sent the letter still refusing to honor the judges decision, as of today march 2014 i applied for another fair hear number is #6519956k, date 3/04/14, and the administrative law ruled that welfare to give me food stamps from october 1, 2013 to march 2014 and welfare is still refusing being that some one with in social services has single me out and to use the services of the government to cause me further hardship and have impose a form of discrimination against me using the tools of there occupation this explanation is the only reason i can come up with because of the actions of welfare with in the 30 months of getting some benefits from welfare i have had over 24 fair hearing because of the closing of my case with in the last 30 months also i was attack at 14 boerum place in brooklyn by a supervisor name mr mercado of the fair hearing receptionist who had me assaulted and falsely arrested at trying to resolved some continue issues that have been affecting my means to survive by individuals in welfare possibly connected to a private concern i use to work for who made me disable and homeless who are pulling the strings in welfare in keeping me in hardships by using the tools of welfare in there personal use for discrimination if you have a full investigation into my case with in the last 30 months you will see that every thing i have wrote about is true also im still going to court with the incident at 14 boerum place next court date march 24, 2014 against mr mercado of fair hearing in the attacking of me with security, i am writing you the commissioner of social service in using the chain of command of the government prior to writting the attorney general because i dont want it said that i didnt use the proper resource in the department of social service in trying to getting my issue and concerns handle in welfare, your concerns in theses matters would be deeply appreciated, from anthony e gault an american disable homeless veteran address p.o box 100142 brooklyn new york 11210 phone #347 957-9950 GODBLESS
